

Flora's Bluff/Killegray Ridge

Approved Paint Colors

These colors were approved in 2021 by the FB/KR and Bald Head Association for cottages in our community. Owners may choose a body color and any trim package. Note, there are homes that currently do not comply with this standard. Please email FBKR67@gmail.com before you paint and collaborate to work toward getting all homes adopting standard colors. Color codes are based on Benjamin Moore paints.
